Producer Letter of Guarantee

Revision Date: January 23, 2019
Approved by: Robert Johnson

The management of the Northumberland Lamb Marketing Co-Operative, also known as Brookside Abattoir Co-operative Ltd. recognizes the need for food safety to be a high priority when producing high quality Nova Scotia lamb products to consumers. Thus we are committed to implementing an effective food safety program at our lamb slaughter and processing facility which encompasses approved suppliers of incoming materials.

The prevention of finished product contamination begins with control of incoming materials which includes live animals. By having strong producer / processor relations and commitment to quality and food safety, the results benefit all those involved.

In order to join our Approved Suppliers List, we ask that you sign and date the agreement below. Once completed, this agreement should be faxed or returned to us at the address below:
